# ENJOY THE EXPERIENCE

Comfort. Pleasure. Style.

Make these simple wishes everyday realities in your home, now and for years to come, by selecting the trendsetting designs, innovative features and lasting artisanship of MAAX bath products. Our extensive and award-winning line of bathtubs, showers and shower doors fulfills desires from the most simple to the simply luxurious. The choice is yours.

Put your body at ease with one of our whispering whirlpool systems that soothes, relaxes and reinvigorates your muscles with spa-level skill and care. Let your mind wander like a gentle stream carrying you on a warm, visual and aromatic journey. Allow your soul to reach a state of utter calm because of your unwavering confidence in the quality of the MAAX brand. MAAX wants everyone who encounters our products to “Enjoy the Experience.” We do that by putting everything we have, every consideration, into ensuring you not only enjoy the therapeutic and functional benefits our products provide but also the entire experience, from product selection through installation and beyond.

After more than 40 years in business, we’ve learned that making things easier for all our customers – businesses and individuals alike – is what makes us succeed. That is why MAAX never stops listening to your ideas, needs and desires. We want to create products that make your life better. We promise that by choosing MAAX, you get more than a superior bath product. You get an experience.

An experience we know you will enjoy.

# MASSAGE SYSTEMS

## SUMMARY

Your body deserves a little pampering now and then, and MAAX has just what it takes to help you recover from your long, busy day. Slide into a MAAX bath and let the vigorous streams of water relieve your aching muscles, massage your sore body and reinvigorate your tired skin, while the back massage melts away tension in your neck, shoulders and back. Plunge into the warm water and let the gentle lather of bubbles massage your body from the back of your neck to the tip of your toes.

Personalize your MAAX bathing experience by combining the beneficial effects of hydrotherapy, air therapy, thermotherapy, chromatherapy and aromatherapy according to your needs and desires and experience ultimate relaxation and well-being in your own home.

## TRUE WHIRLPOOL® FOR PEARL SERIES BATHTUBS ONLY

Lower yourself into a unique True Whirlpool bath, get comfortable, and turn on the strategically positioned whirlpool jets to create delicious streams of warm water that will relax your body and clear your mind. Feel the soothing swirl of motion around you, creating a cushion of waves that relieves pressure on your joints and muscles. The turbulence and buoyancy of the warm water help ease discomfort and reduce muscle stiffness. (Backjets are sold separately).

## HYDROFEEL® FOR SELECT MAAX COLLECTION BATHTUBS ONLY

Specially designed for our minimalist bathtub series (Urban, Aiki, Aigo and Optik), our Hydrofeel therapeutic whirlpool system raises the bar on fine waterjet design. Strategically located along the length of the body, the size and shape of the jets ensure a deep, targeted massage—and back and foot jets round out an ultrasensory experience that's as invigorating as it is relaxing.

Microjet

## HYDROMAX® FOR SELECT MAAX COLLECTION BATHTUBS AND TUB SHOWERS

Hydromax is simply the best luxury therapeutic whirlpool system you can get. Hydromax consists of an exclusive whole body whirlpool bathtub system whose powerful, high-performance waterjets precisely aim to effectively relieve aching muscles, stimulate the body and melt away the stresses of everyday life. (Backmax is included with this system.)

## BACKMAX™

FOR MAAX COLLECTION BATHTUBS ONLY

Most Hydromax systems come with backjets for enhanced whirlpool action. Conceived in collaboration with top massage therapists, Backmax consists of a myriad of balanced, pulsating and rotating massage jets strategically positioned in the tub's backrest. The system provides an intense cascading massage from upper shoulders to lower back. Pioneered by MAAX, Backmax gives your back the star treatment. You won't find a better ally to swirl away tension in your back muscles and provide a complete luxurious hydrotherapy experience.

## FOOTMAX™

FOR MAAX COLLECTION BATHTUBS ONLY

Reflexology studies the way our feet mirror our bodies—the internal connections between precise locations on the sole and other muscles and systems. The Footmax system is designed to deliver jets of flowing water to pressure points on each foot, bringing the whole body into a balanced state of natural harmony.

## THERMAZONE™

FOR PEARL SERIES BATHTUBS ONLY

Lean back and melt into the Pearl Series bath's ThermaZone for an experience that will leave you feeling totally relaxed. Taking the traditional heated backrest to new heights, continuous heat flows through a larger surface to ensure you soothe those aches and pains in your neck, back and shoulders. ThermaZone calms damaged tissue, relieves back stiffness and pain, and increases flexibility and comfort. Great therapy choice for the customer that just wants to soak! So, relax while your batteries recharge... talk about a concept that is not hard to warm up to!

## REST™ WHIRLPOOL SYSTEM

REST

FOR SELECT TRUE WHIRLPOOL,  
HYDROFEEL & HYDROMAX SYSTEMS

MAAX invites you to experience a new level of sophistication with the latest in whirlpool technology... discover the Rest, a silent whirlpool massage system option that recycles the energy of the pump to transfer heat to the water all the while using less energy. The Rest whirlpool system is offered on select bathtubs equipped with True Whirlpool, Hydromax or Hydrofeel massage systems.

## OZONATOR FOR WHIRLPOOL SYSTEM

O<sub>3</sub>

Ozone is the Earth's natural way to purify the air and water from their toxins. Bringing these same natural purification benefits to the bath, MAAX now offers the Ozonator for Whirlpool System in keeping with its promise to design innovative customer solutions. This technology neutralizes unhealthy microorganisms like bacteria and, thus making your bathing experience safe and fresh.

Safe and natural: ozone is a natural gas that has a fresh scent, like a rainstorm, keeps water clean and clear.

## AEROFEEL® FOR ALL BATHTUBS

Our perimeter air injection system is simply the best on the market. Aerofeel rides the wellness wave with individual quiet airjets and check valves providing immaculate purity. Intelligently positioned around the interior wall and in the tub's backrest, tiny openings create a gentle rippling massage, caressing your skin and cradling your body from head to toe. And to complete this therapeutic heaven, Aerofeel also includes an oval-shaped heated backrest.

## AROMASCENTS

FOR PEARL SERIES BATHTUBS ONLY

Filling the air with a gentle scented mist, the AromaScents diffuser will bring your bathing experience to the heavens. Embark on a luxurious journey for the senses and be amazed at just how good a few drops of essential oil can make you feel. Just a hint of the right oil can be enough to relax, revitalize, refresh and reinvigorate you inside and out... Just follow your nose!

### Lavender and Eucalyptus Pure and Natural Essential Oils

These natural soothing and aromatic essential oils are included with AromaScents diffuser to give you an incredible bathing experience you will look forward to all day long. The AromaScents diffuser comes with a metal cap available in Chrome, Brushed Nickel and Polished Brass.

## CHROMATHERAPY

FOR ALL BATHTUBS AND TUB SHOWERS

Bathe yourself in a kaleidoscope of color to reach optimal health. When dispersed through the water, individual colors create unique energy with the proven ability to heighten or alter a person's mood.

MAAX offers colors to bring different nuances to your bath experience and adds a new dimension of color therapy to every immersion you can enjoy. Underwater lamps (LED) let you enjoy the full rainbow of colors, select one specific color or change them at whim.

## THERMO-ACOUSTIC®

FOR MAAX COLLECTION BATHTUBS AND TUB SHOWERS

Yet another MAAX exclusive, the Thermo-Acoustic noise reduction system keeps you in the comfort zone. This avant-garde concept minimizes ambient noise and vibration associated with other massage features. By keeping noise to a minimum, your every hydrotherapy session remains the peaceful, enjoyable experience you've been longing for.

## MAAX IES®

### FOR TUB SHOWERS AND SELECT SHOWERS

Developed with the help of massage therapists, the MAAX IES (Integrated Energizing System) is designed to deliver a truly energizing shower experience. All of its plumbing components, including the body jets, come factory installed, ensuring optimum configuration and operation, plus easy installation.

## MAAX IES®

### WITH RAINMAX™

#### TROPICAL RAIN FOR MAAX IES 3/4

The MAAX Integrated Energizing System 3/4 (IES) with Rainmax will change the way you see your shower. Its 3/4-inch 4-function thermostatic valve and eight adjustable body jets are complemented by a Rainmax tropical rainmaker, which puts the finishing touch on an already exceptional massage. This ingenious, factory-assembled system offers no-hassle installation and a guaranteed energy surge.

Available on Imagine 6036 and Imagine 4836 shower models.

# RECIPES

## FOR YOUR BODY, MIND AND SOUL

Take your bathing experience to the heavens with a splash of scented oil. Embark on a luxurious journey for the senses as your body absorbs the oil and be amazed at just how good a few drops of essential oil can make you feel. Just a hint of the right fragrance can be enough to relax, revitalize, refresh and reinvigorate you inside and out... Just follow your nose!

Complement your bath by adding some of your own bath enhancements and make your home spa experience complete. Concoct your own natural bath salts by combining Epsom salts with the essential oil of your choice. Bask in a tub reminiscent of Cleopatra by adding two cups of milk to the water, and leave your skin feeling soft and healthy. Even flower petals can have a calming effect, or create a romantic mood should you decide to share your luxurious bath with a special someone!

## PEACEMAKER

REDUCES STRESS

Preparation time: 10 minutes

Treatment duration: At least 30 minutes

### Ingredients

- Hydrotherapy: Still Water
- Thermotherapy: Warm
- Chromatherapy: Blue
- Aromatherapy: Eucalyptus

Fill bath. Add a few drops of the scent of your choice in the diffuser. Set backrest to warm and turn on blue lights. Put on soothing music. Climb into bath of still water for 30 minutes of stress-free relaxation.

# Personalizing your bath **experience**

## LAVENDER BATH CRYSTALS

Turn a normal bath into a complete wellness experience simply by adding a few of these luxurious crystals. Lavender is nature's cure for a variety of ailments, from aching joints to a frazzled mind. And, the cleansing properties of salt help pull harmful impurities from your body – and your soul.

### Directions:

- 2 cups Epsom salt
- 4 drops lavender essential oil
- ½ teaspoon vegetable liquid glycerine

Pour Epsom salt into container. Drop lavender oil and glycerine over salt. Mix together. Remove entire contents and place in moisture-proof, sealable container. Let sit for 2 days, then add a handful to your next bath.

## CITRUS MILK BATH

Want an experience that soothes, restores and revitalizes? Then try this recipe in your next bath. The properties of milk will soothe your skin and relax your body, while the fresh, clean citrus fragrance energizes your mind and spirit. It's easy to make and an absolute pleasure to use.

### Directions:

- 1 cup milk powder
- ¼ cup orange or lemon peels
- 4 drops lavender essential oil

Make a small pouch out of muslin or cheesecloth and fill it with powder and citrus peels. Drop oil over mixture and tie up edges of cloth. Place pouch directly beneath running water or place directly into bath.

# Features & Benefits

## Anodized aluminium construction

All cabinets are made of sturdy aluminum construction. With this innovation technology, your cabinet remains rust and blemish free for many years.

## Patented slide shelf system

MAAX's Slide Edge technology makes shelf adjustment an easy task. This patented innovation lets you choose the exact height of each shelf. The sidewall of the cabinet is smooth with no chance of dirt accumulation.

## "Smove" self closing bumper

This device acts as a "shock absorber", yet allows complete closing! The Smove system is a revolutionary door buffer mechanism that stops the doors just short of closing and then slowly eases it shut – smoothly & silently.

## Mirror trim kit

Easy to install trim kit for surface mounted medicine cabinet.

## Adjustable hinges

MAAX medicine cabinets use a 6-way adjustable concealed hinge with a 170° opening for easy access (select models only).

## Other options and accessories

- Flat wall mirrors
- Glass shelves
- Light bars
- Sconces
