No More Slamming Doors

You'll love the **"No Bang"** effect with our optional **SOFT CLOSE**. This feature keeps ears and fingers safe by easing the door shut no matter how hard you slam it. This **graceful, gradual closing** – a great child-friendly feature for families – also helps minimize door-to-frame impact to extend product life.

EXPERIENCE A GREENER **MAAX**®

The environment is important to all of us. We, at MAAX, believe in doing our part in reducing our ecological footprint.

Our price books are now printed on FSC® certified paper. FSC® certification guarantees that all fibres used come from renewable sources and meet the highest international standards.

With your cooperation and understanding, through a simple gesture, it is quite impressive to see how we can all contribute in improving our environment.

We also invite you to use our electronic documents. No matter how small the effort, it makes a difference!

JOIN US AT MAAX.COM

www.maax.com is an essential and inspiring source of information.

In addition to finding all the product details included in this book, our website offers design tips, product configurators and other useful sections such as a press room, technical support and where to buy.

Download technical drawings, installation guides, specification pages, photos and videos with one click

Our site, constantly evolving, is your personal assistant.
